PROFILE

Bilingual (EN/ES) growth marketer with 4+ years owning paid acquisition end to end and 10+ years as a senior direct-response copywriter. I run lean budgets efficiently across full-funnel Meta and Google Ads, GA4/GTM tracking built from scratch, landing-page CRO, and lifecycle email — and I write the creative myself. Peak result: 7.79x ROAS at \$14.50 CPA. Fully remote, full daytime overlap with US time zones.

EXPERIENCE

Marketing Manager (sole marketing hire) |

Chicago, US Jun 2024 – Jul 2026

Zeitlin's Delicatessen / Ledgerock LLC

- 7.79x ROAS at \$14.50 CPA on a peak Meta campaign; 4.27x ROAS turning \$566 in spend into \$7,472 in revenue (44 orders) on Google Ads.
- Diagnosed a mid-funnel drop-off in GA4 (1s dwell on cold ad traffic vs. 70s internal), rebuilt the landing page in Webflow to match ad creative, and recovered a 2.3x lift in conversion rate.
- Built conversion tracking from scratch, including cross-domain attribution from landing page through to an external checkout platform, so paid performance was measured against real revenue rather than platform-reported numbers.
- Owned lifecycle email end to end: 46% average open rate across ~5,000 subscribers.
- Ran an investor/crowdfunding campaign using Airtable, Make, and ActiveCampaign automation: 4,000+ emails captured, segmented by engagement, \$150,000+ raised for the store build-out.
